# DISRUPTIVE TIMES – OPPORTUNITY OR THREAT FOR MARINE INSURERS, THE ROLE OF LOSS PREVENTION

  - Screen, Identify, Pre-empt, Apply, Minimise impact.
- **PARTNER NOT SERVANT**
  - Collaborate with our clients, suppliers, stakeholders to avoid or mitigate ‘risk and impact’
- **PERSEVERE RATHER THAN PEDESTRIAN**
  - Don’t stop trying, be creative, collaborative and clever tackle the ‘Elephants in the Room’ or ‘On The Ship’
